GIVING TUESDAY

Black Friday, Cyber Monday, we understand that you may be all shopped out in the run up to Christmas. Giving Tuesday is a day to “give, collaborate, and celebrate generosity.”

Without our incredible community, simply, we wouldn't be able to do what we do best. Empowering people with realistic 3D Nipple Tattoos post mastectomy and cancer treatment.

NiP Charity is entirely run by volunteers, who give up their time and utilise their skills to help the charity grow and provide this service to so many more people.

We've put together a mini guide for how you can support us this Giving Tuesday (or any day!)

For everyone that supports us, we are so so thankful.

GET SOCIAL

One of our biggest hurdles as a charity all about nipples, is censorship on social media platforms. Even though we are flattered that they think our tattoos are real nipples!

If you can do one thing this Giving Tuesday, please follow us on our social channels and support us with likes and comments.

The bigger our audience, the wider our message can reach!
